Dear Mr James

Re: Pilot visit at St Joseph's Catholic Primary School

I am writing to express my gratitude for your school's recent participation in a pilot interim visit.

I sincerely appreciate the time you and your staff gave on the day. The conversations and your feedback provided useful information which will help us to shape the visits as the term goes on.

Although we were unable to take a tour of the school and meet more of your staff and pupils, please do pass on our thanks to your team. We wish you all the very best for the term ahead.

Yours sincerely

Daniel Lambert
Her Majesty's Inspector
